Honouring the legacy of Don Dunstan, the Foundation promotes visionary and progressive leadership and thinking within government and the private sector in South Australia, by furthering debate and action on key public policy issues. We work with local, national and international stakeholders who share the values of the Foundation and provide support to our projects and program. On our own initiative or by bringing together researchers, policy makers and community members we influence decisions taken and ensure outcomes for a fairer, progressive and more tolerant society.

**We invite you to make an investment for a better future.**
