

PROFESSOR FRANK MULLER

Climate Change: Challenges and Opportunities for Australia.

DONDUNSTANFOUNDATION
FOR A BETTER FUTURE

FLINDERS UNIVERSITY
ADELAIDE • AUSTRALIA

THE UNIVERSITY
OF ADELAIDE
AUSTRALIA

- Democratic and inclusive forms of governance
 - Just distribution of global wealth
- Two of the six founding Values of the Foundation

Launching the Don Dunstan Foundation's CREATING THE CLIMATE FOR CHANGE initiative

Frank Muller is Professorial Visiting Fellow in the Institute of Environmental Studies at the University of New South Wales. His environmental credentials are impressive and include:

- Serving on the Economic Development and Jobs Working Group of President Clinton's Council for Sustainable Development
- Senior Special Fellow of the United Nations Institute for Training and Research
- Executive Board Member and Visiting Scholar at the Center for a Sustainable Economy in Washington DC and Director of Policy Research at the University of Maryland's Center for Global Change

Professor Muller will share his ideas about how Australia can address the challenges and opportunities of climate change.
