THINKERS IN RESIDENCE

The Don Dunstan Foundation has re-launched the highly successful Thinkers in Residence program.

The current focus of the Thinkers in Residence program is on Social Capital.

To put it simply, the aims of the Social Capital Residencies is to do good better.

TODAY'S WORKSHOP

We want to:

- Gain a better understanding of what is happening in SA with respect to data collation, sharing and management
- Understand some of the barriers to progress in this area
- Understand some of the opportunities
- Discuss what the next steps are to unlocking the potential of data

What is
DATA?

Who has
DATA?

Where is
DATA?

What do we want DATA to
DO for us?
