#GivingTuesday

This week was #GivingTuesday, a global day of generosity unleashing the power of people and organisations to transform their communities and the world on 3 December 2019.

It was created as a simple idea: a day that encourages people to do good. Over the past seven years, this idea has grown into a global movement that inspires millions of people to give, collaborate and celebrate generosity.

Although #GivingTuesday is officially over for 2019, our Foundation runs on the support of incredible people like you. If you'd like to help us take Don's legacy forward and keep our projects and programs running, we ask for your support through a donation to one of our meaningful causes.

Read more about our programs [here](#) and we thank you for considering a donation below.
